

The Alien Department is closed.

From March 16 to April 13 2020

The new Corona virus is spreading in Halle as well.

Because of this you should avoid contact with other people.

This is why the Alien Department will be closed from 16 March to 14 April 2020.

If you need to contact us please don't come to the office!
Please write an E-Mail to auslaenderbehoerde@halle.de
including your relevant personal data (name, date of birth, file number etc.). Also state your exact question or issue so we can sort your case quickly.

The Alien Department decides case by case if you have to come to our office in person.

You already have an appointment with us? – We will contact you soon to discuss how we can solve the issue.

Stay safe!

Yours, Alien Department
Halle (Saale)
